**DCS-2500T
PROFILE**

FEATURES

BENEFITS

Cutting performance comparable to CS-2511TES petrol chainsaw

✓ Benefits of a battery chainsaw include: low noise, low vibration, low running costs, zero emissions and easy to use

50V lithium ion 2Ah battery as standard

✓ Small and lightweight but with enough power to tackle tough jobs
Fits other ECHO 50V battery products

Brushless motor

✓ Long lasting and maintenance-free, due to non-wearing parts –
Reduces downtime and servicing costs

Energy efficient motor controls

✓ Manages motor speed, power delivery and battery temperature for improved cutting performance and battery life

Patented Quick Draw harness ring

✓ Hook and unhook your chainsaw with one movement

Ultra-low noise

✓ For continued operation in noise-sensitive areas

Side access chain tensioner

✓ Allows quick chain adjustment

Patented thumb rest

✓ For increased operator comfort

Internal air filter

✓ Prevents dust from entering main board and motor

Drop prevention lanyard hook

✓ For ultimate off-ground safety

IPX4 water resistance rating

✓ Showerproof for protection against the elements

Translucent chain oil tank

✓ For easy level checks

Anti-slip handle grip

✓ For precise operation

Rated Voltage	Dry Weight*1	Oil Tank Capacity	Guide Bar Length	Saw Chain Pitch	Gauge	Run Time*2	Charging Time
50.4V	1.6kg	0.12 litres	25cm (10")	1/4" or 3/8"	0.050" or 0.043"	18min	Approx 42 min

*1 Unit without battery, guide bar, saw chain and chain oil *2 With standard 2Ah battery
