HC-2810ESR
PROFILE

FEATURES

BENEFITS

Premium grade ECHO engine

Increased performance / extended product life / less downtime

Full suspension system

Isolates handles from the engine and gear case for reduced vibration and operator comfort

3 sharp edges on cutter blade

For sharp and clean finishing

Front exhaust pipe

Exhaust emissions are directed away from user. This also prevents scorching and discolouration of the hedge

Cooling air intake from recoil cover

Allows engine to run cooler with no blockages

Blades slide easily and safely

For grinding through maintenance hole

Rotatable rear handle

For comfortable operating in all positions

ES Easy Start system

Minimum effort required to start the machine / faster starting

Pro-grade gearcase components

Allow faster cutter speed for clean cut

Tip guard

Prevents blade from contact with fences or buildings

Lightweight cutter blade

Reduces operator fatigue

Wider pitch blunt

For safe operation with smooth cutting

Displacement	Dry weight	Output	Fuel Tank Capacity	Cutter type	Cutting Length	Cutter Pitch	Cutter Clearance
21.2cc	5.2kg	0.57kW	0.39 litres	Double-sided	624mm	35mm	Adjustment-free

EXTENSIVE WARRANTY

ECHO power tools come with a **five year domestic warranty** or a **two year warranty** in professional use. For the domestic user there is the total reassurance of using equipment designed and built for professionals, and a five year warranty offers even greater peace of mind
(Registration of ECHO products and servicing are necessary to validate the warranty)
